

**Temple Ohav Shalom Center for Early Learning
Photo Release Agreement**

Throughout the school year the Center staff will be taking photos and videos of the children participating in classroom activities. Photos are used in the classroom to document the children's work, to share their activities with parents, and occasionally are used on our website and Facebook page.

- My child may be photographed by preschool staff and parents while participating in school activities.

- My child's photograph may be shared with other preschool families through email and classroom documentation panels.

- My child's photograph may be published on the Temple/school website.

- My child's photograph may be published on TOSCEL facebook page.
